

# Blue Care's Popular Carina Community

Azure Blue Lifestyle Communities continue to be a popular choice among Brisbane retirees, with more than 70 per cent of the Carina apartments reserved well ahead of their construction.

Blue Care Executive Director, Robyn Batten, said the new \$80 million community, within a four-hectare site on Richmond Road, has struck a chord with buyers in Carina, neighbouring suburbs, and others wishing to relocate close to amenities.

Upon its completion, Azure Blue Carina will consist of 98 independent retirement living apartments, including six single level villas and a separate component offering care.

Well-elevated the majority of the apartments will have panoramic views over the suburbs and surrounding districts.

Amenities will include a swimming pool, children's play area, café, barbecue area, library, gym, hair salon, function room and cinema.

Co-located services will include allied health services and a 128-bed residential aged-care facility where care staff will have access to the latest equipment and residents will enjoy modern facilities.

Ms Batten said careful planning and consideration has been given to preserving as much of the site's natural environment as possible. "More than half the site will be retained as natural bushland reserve or landscaping with buildings on the site connected via pathways".

# Azure Blue Redcliffe Well Under Way

Artist Impression - Azure Blue Redcliffe - Completion Anticipated Mid 2012

This is the first of the Blue Care's Azure Blue Lifestyle Communities to launch, located on Anzac Avenue at Redcliffe, opposite the Redcliffe Hospital.

With its completion anticipated in 2012 the apartment buildings are well under construction on this site. This integrated retirement community will feature 122 independent living apartments consisting of three multi-storey building as well as a 128-bed residential aged-care facility.

Amenities will include a swimming pool, barbecue area, community centre, and café, dining area, library and media room.

Village Manager Vikki Mitchell said the development was creating a buzz in the local community, with many people stopping by the sales office. "The people who have reserved their apartments here are looking forward to enjoying the resort-style living with the assurance that Blue Care's full range of services is available should they require it in the future."

An information centre at 99 Anzac Avenue, Redcliffe is open Monday to Saturday from 9.30am to 3.30pm.
